

Jeanne A. Wells

December 31, 1918 - August 25, 2019

Jeanne Adelaide (Carter) Wells died on August 25, 2019 in Ft. Collins, Colorado. Jeanne, formerly of Parker, Lakewood, and Denver, Colorado was born in Crandon, Wisconsin on December 31, 1918. She was 100 years, seven months, and 25 days old. Growing up in the north woods she survived cold winters, pleasant summers, four brothers, the Great Depression, and even childhood scarlet fever.

Jeanne graduated from Bellin Memorial Hospital College as a registered nurse in 1942, after three years of study. In that same year she followed her adventuresome spirit and answered the call to serve as an Army nurse during WWII. After training at Ft. Benning, Georgia, she received orders to sail to England. After brief duty in England, she was transferred to Bouhanfa Hospital in the North Africa campaign, arriving on December 6, 1942. After one year she was transferred to Italy and subsequently volunteered to serve at the 93rd Evacuation Hospital on the Anzio Beach Head. It was here that she survived several bombings of the hospital and received commendations. She shared a tent with another nurse. During a nighttime firefight over the hospital, she went out to see what was happening. Upon returning to her cot, she noticed that something was different. Upon further examination a chunk of shrapnel had ripped through the bedding. We have always thanked God for her curiosity. In 1944 Jeanne became gravely ill while serving Naples, Italy. She was sent home to attempt recovery from an unknown disease. It turned out that

tuberculosis was the culprit. So it was off to Fitzsimmons Army Hospital in Denver to recover. It took all of two years to recover from the disease.

It was in Denver that she met and married Lewis (Dusty) G. Wells in 1949. They started their family there and are survived by two daughters, Suzanne of Pensacola, FL and Judy Jo of Cody WY; and two sons, Robert of Mitchell, NE, and Russell of Ft. Collins, CO. Jeanne and Dusty were married for 55 years. Dusty died in 2003. She was blessed with 8 grandchildren and 14 great grandchildren. During her long, fruitful, and generous life she always enjoyed a travel adventure, and cherished time spent with her family and friends.

A memorial celebrating Jeanne's life will be held at 2 PM on Saturday, September 28, 2019 at Bohlender Funeral Chapel, 121 W. Olive St. Ft. Collins, CO.

“ It was my honor to be one of Jeanne's RNs. We spent many hours discussing what was going on in the world. The first time I met Jeanne I was struck by the twinkle in her eyes and her smile. It was like she carried a special secret that only she knew. I could always count on her to share some of her life experiences. We laughed about many things. At one visit, during a discussion, a CNA stated she had never had any alcohol and never planned to. As Jeanne always looked forward to her Friday evening margaritas, in a matter of fact tone said, "Oh everyone should do something in their life they regret." Again there was her twinkling eyes and smile. She really enjoyed taking life in. I will always cherish those times we had together. My deepest sympathy to the family for their loss. Teresa RN

“ I adored Miss Jeanne. Being her CNA for over a year was a year filled with so many laughs and good times. She was an amazing woman that I respected and looked up to so so much. I will miss her dearly and she will always have a special place in my heart. My thoughts and prayers go out to her lovely family.

“ When I was growing up I spent some time at the Wells home visiting my friend, Suzanne. I remember a loving and happy household. We had Campfire Girl meetings at the house for awhile and one of my memories was that Jeanne taught us how to knit. This was quite a challenge, especially teaching me because I am left handed. She was so patient with me and I SO appreciated her. I have nothing but good memories of the time I spent there.

The world has lost a wonderful woman and my thoughts and prayers are with the Wells family.
