“ My daughter, Robyn, is in the psychology class at Front Range that Jeph was in. The whole class was saddened and shocked to learn of his passing. She enjoyed interacting with him in their small groups. She also thought he was very cute! And, she was right: his obituary picture is darling. My heart breaks for you in your loss. How painful it must be to lose a wonderful son. I noticed his service was at Resurrection Fellowship which tells me Jeph was a Christian. He is with the Lord now; may that be a comfort to you. Your family is in my prayers, julie plank

“ For those of you who don't know - I am Mark's mom and yes he is the one who has the other phone tattoo. From the moment that I met Jeph, I knew he would touch my heart forever! No matter what the boys were doing, they always made me smile! Having Jeph in our lives has definately touched our family and we will never forget Jeph and I promise that every year we will celebrate his life!

“ My sweet Jeffy...I will forever love you and miss you. Although our lives had taken us in different directions and we had grown apart over the last couple of years you were my best friend for so many important years of my young life. I will always remember and cherish every moment we had together. My heart goes out to your family at this time. I thank you for making me the person I am today, without you in my life I would not be who I am today. You were and will always be one of the most wonderful people I have ever known. Thank you for your friendship and I know you are in a happier place now. You will be in my heart forever. This is not goodbye but until we meet again. I will love you forever my sweet Jeffy.
