

Jeffrey Gordon Pore

December 27, 1964 - February 10, 2023

Jeffrey Gordon Pore was born on December 27, 1964 in Kittanning Pa and passed away on February 10, 2023 at Poudre Valley Hospital.

His mom and dad Ed and Lola Pore had 3 children. Dave his brother passed in 2001, his sister Mindy lives in Oregon. He loved his family so much. Jeff also truly loved his cousins, aunt's and uncles. He also loved his nieces, nephews and great niece and nephew.

Jeff and I (Chonda) got married on June 10, 1989, we had 33 years together which is by no means enough time. We welcomed our son Terry Pore on May 20, 2000, he is the image of his dad. Jeff was proud of the young man our son has become. Jeff was one of the hardest working men I have ever known, he always supplied for his family. No words can express the sadness and heart ache Terry and I feel for this loss!

Jeff was an Iron worker and one of the best around, he loved the adventure of being up high on buildings and would often send me pictures of himself high on a beam looking down. It would scare me and he didn't understand how anyone was afraid of heights as it was exhilarating for himself. He became foreman on many of his jobs and enjoyed teaching the new guys the ropes and befriended everyone he worked with. He still kept in contact with people he worked with years ago and always had a kind word for them.

My family loved Jeff so much and he in turn loved them, he was a clown to be around and always hanging out with the kids. So many wonderful memories of him just being himself. Always smiling and there to make things better for

anyone.

Jeff loved hunting and fishing with his son and just being outdoors in general. He was an amazing artist and could really do anything he set his mind to. We bought our dream home in Red Feather Lakes, Co in March of 2020. We love the quiet and being surrounded by God's beauty. Jeff was a true man of God and was faithful to the end. The whole time he was so sick and in pain he just kept saying God's got this. He had an unbelievable sense of humor and would give the shirt off his back to help anyone and everyone. He was known for his huge hands and I can say his heart was even bigger. He never held grudges and was always quick to forgive and forget.

Terry and I will love him until the end of time and will never forget the wonderful husband and father he was.

“ *Jeff truly a great friend and a God loving man. I always looked forward to working with Jeff on many projects over many years. He will be missed and forever will be an awesome memory. I was so thankful that Jeff took my son CJ and trained him to be the person that we both would have and are so very proud both as Ironworker and Man. Godspeed Jeff you are loved.*

“ Oh boy where to start, Jeff and I became friends in the early days out of High school. He had a sky blue Dodge pickup and I had a 68 Chevy pickup. We would of course go back and forth between what was better Dodge or Chevy. We would cruise Collage every Friday and Saturday night all night! I worked with him and his Dad at Steel Fabricators for a short time. Jeff also had an old step side Dodge pickup that we was going to fix up and race down at Bandamier, we even had the name of the race team picked out “ The Brew Crew “ cuz we liked to drink beer. Of course we never did but sure was fun thinking about it! One thing that’s for sure, Jeff was the same guy from the day that I met him until the last night I saw him after a Hockey game.....I’m truly honored to be able to have called him my friend! Jeff you will be truly missed. I will never forget you. Until we meet again. Jay Brookhart

“ Jay and I were just saying how Jeff was always the same guy when you would see him. He will be missed so much by so many. Rest in Peace Jeff and Lord wrap those living arms around Chonda and Terry. I am so very sorry. Just doesn’t seem right in so many ways.
