“ Jenny, you were such a kind and beautiful soul! I knew you a short time, but I felt like I'd known you forever. I'm happy I got to do a Bible Study with you. You would just brighten the room with your questions and always wanted to know more. It made me want to stay and keep on studying. The times we all spent talking at your kitchen table afterwards made me feel like I knew you forever and it just felt so warm and welcoming in your home. Sweet Jenny. I know you are in God's loving arms and I can just see that bright and beautiful smile of yours as you look into Our Lord's face. Rest In Peace and thank you for such beautiful memories!
