“ *Oh Froggie I am so sad. I promise to take care of Nicol and the girls and try very hard to hear your words of wisdom and be your voice to the best of my ability when dealing with the problems. I will go to all their games and be your eyes and yell just that much louder in your honor. Know that I loved you and loved the husband and daddy that you were. You will forever missed.*

“ To all of Jerry's family and friends, please know you are in our thoughts and prayers. We are very sorry for the loss of your beloved "Frog". May your memories of happy times spent with him live on in your hearts and bring you a small sense of peace. Sadly, I never got to meet him, but from what I have heard of his personality and character, his unique spirit will live on in those he loved and cared about. Rest in peace Jerry.

“ The love and passion Frog had in his heart for sports has been passed on to many of us, including his daughters. Although, when I look across the gym you may no longer physically be there; I know that your presence will be felt by all of us. Rest in Peace, Jerry.
