

Dr. Jerry Crews

May 16, 1938 - January 6, 2016

Dr. Jerry Crews, 77, of Windsor, CO went home to be with his Savior Wednesday afternoon. Dr. Crews was born on May 16th, 1938 to Jesse and Lucille Crews in Hope, AR. He attended UCLA and graduated with a bachelor's degree in physics. Dr. Crews continued his education at the medical school at UCSF. During this time, he began dating his future wife, Nancy, after meeting her on a rotation in Phoenix, AZ. The two were married on August 18, 1962. Dr. Crews then completed a residency in psychiatry. The couple moved to Fort Hood, TX where Dr. Crews served during the Vietnam War as the chief of psychiatry. Following the war, Dr. Crews completed a neurology residency in Phoenix. Shortly afterwards, the Crews family relocated to Greeley, CO where Dr. Crews practiced neurology for twenty years. Greeley is where Dr. and Mrs. Crews made their home and raised their two sons, Mike and Kent. For the past dozen years, Jerry and his wife lived in Windsor, CO, enjoying retirement, traveling, their church community, and their many friends and large family. God decided to call Jerry home on Wednesday following a surgery at Medical Center of the Rockies. He passed away with his wife, son, and daughter-in-law at his side. Jerry was a true reflection of Christ's love, which was exemplified through his care of his patients, his wife, and his family and friends. He was truly adored by his family and friends, and he will be greatly missed. Jerry lives on through his sister, Charlotte, and Nancy, his beloved wife of 53 years. He was a loving dad to his two sons, Mike and Kent, and their wives, Helen and Keri, and he was a favorite papa to

his seven grandchildren. We look forward to the day when we will all spend eternity in heaven with Jerry. A celebration of Jerry's life will be held in the Main Auditorium at Timberline Church in Fort Collins at 4 p.m. on Friday, January 15, 2016 with a reception to follow. For those who wish to make a donation in Jerry's memory, the family asks that donations be directed to Juvenile Diabetes Research Foundation, as this was his favorite charity in care of Bohlender Funeral Chapel, 121 W. Olive, Fort Collins, Colorado 80524.

“ I think I can speak for all the emergency physicians who appreciated the support, the guidance, and the consultations we received from Jerry over the many years we worked together. He was always able to bring clarity to some confusing cases, and was a huge help to us in deciding about an appropriate disposition. He was a patient and friendly colleague who we felt "had our back".
Our condolences to you , Nancy, Mike, and Kent,

“ He was Dr. Crews to me in 1975 when I started my family medicine residency at Weld County General Hospital. I am forever grateful for the neurology education I received from him. Dr. Crews was always patient with intelligent, practical advice; And for many many years since then he was a resource for me and my patients.
Marilyn and I send our love to the family. We know Jerry is with the Lord.

“ Nancy and family, Joanne and I were shocked to hear of Jerry's sudden transition. As New Thought practitioners we firmly believe Jerry's spirit is eternal and is now in the loving presence of God. We are so grateful to have spent time with him at Thanksgiving. He appeared so healthy and happy - and why shouldn't he after 53 years of blissful marriage. May the cherished memories of years past lighten your load and may your sorrow be easier to bear knowing there are others who understand and care.

“ Nancy – Cathy & I were shocked and saddened to hear of Jerry’s sudden passing. We do take comfort in knowing where he is now. As Kevin said in his address to the church – “We know that Jerry’s name is written in Heaven.” I was looking forward to seeing Jerry when we got to Tucson in February. As you know, Jerry was a member of Bill Studt’s Friday morning men’s group. When we were there in October, on a Friday, I picked him up at your house to drive to Panera Bread where the group meets. Jerry and I went in together and he ordered the biggest cinnamon crunch scone I have ever seen. I said – “Are you going to eat that whole thing by yourself?” With that impish grin we’ve come to know so well, he said – “I’m going to try.” And, he did; the whole thing! Jerry was such a valuable part of the men’s group. His wisdom and gentle demeanor will be missed by all of us. I wish I had more time to get to know him better. With our sincere condolences to you and your family, Dick & Cathy Simmonds/.
