“ *Didn't know it at the time, but I was lucky to know him at a rough time in my life. He taught me hard work, how to use a chain saw, what quality meant, and how to get along with others who are different. He was a great man.*

“ *I have just learned of the recent death of Jerry, and am so very sorry for his children and grandchildren. Jerry's family and mine were neighbors many years ago when we all lived west of Longmont. Their home was at the bottom of the hill on west 3rd Ave. We lived a bit further west & a bit south, on Hover Rd., along the south bank of the St. Vrain River. In later years, after our boys became active in Boy Scouts, we'd often see Jerry at the Scout ranch and spend many hours swapping tales and memories. Though I haven't seen Jerry in recent years I have always thought of him as a friend. I know he will be deeply missed by all who knew him. Sending prayers of comfort to his family.*

*Sincerely,
Anetta (Parker) Steiner.

“ Jerry was such a driven man - not one to sit still much. He was always out making things better and always there to help. He was an icon to his family and made a trail we would all have a hard time keeping up with and one that would be good to follow. A man of many talents and skills - It is amazing the many things he did and how tragic it was such a simple thing that took him down. Just one of life's lesson's I think - we should not fear to try what we want as we never know what will get us in the end. The greater the love the deeper the sorrow! May all of the family have the strength you need to get through a very difficult time. Good Bye Leather Pounder - Happy Trails to You!

“ Tammy we are so sorry to hear of your loss. We did not have the privilege of meeting your Dad, but I know the pain and feelings of loss when you lose those you love. As I read through some of the things written about him I can tell he was well thought of. May you find peace and comforts in those words, and in Jesus our Lord and Savior.

“ As a kid, we spent much time in the summer at the Scout Camp then I worked one summer before college there as the Camp Secretary. Or rather the "go for!" Go find the dr..some kid broke his arm. Go find Jerry, something needed fixed. I have such sweet memories of Jerry and his family. His leather work, the bobcat mounted on the wall, and of course, his story telling. He greatly impacted my life and the life of my parents. He is missed.

“ *I had interviewed for the camp rangers job. When Jerry drove in in his pickup, we thought, wonder who he was. When Jerry was hired, Jack Armstrong later hired me as a District Scout Executive. I got my eyes opened then as Jerry knew how do do most everything that was asked of him, and those things he didn't know, he soon learned. In all the years that passed since, Jerry remained a great friend. He made all of us feel like we had known him all of our lives. To me, some on said of him, he was a real mans man.*

We will keep you in our prayers that your love for Jerry will ease the pain of his leaving us behind.

“ Our thoughts are with your family as you deal with the loss of your loved one. We became acquainted with Jerry through our business and when he was in charge of the Boy Scout Ranch. Later we got to know him better when our kids were in the 4-H program and we spent a lot of time at the Larimer County Fair together. We have good memories of those times and are so thankful we got to know Jerry as well we did. Please know we are thinking of you and hope the wonderful memories he left you, will help in you in some small way.
