“ *Mi más sentido pésame para todos ustedes. Fui maestra de Jerson en kinder. Hace unas semanas que lo vi en misa acompañado de Santa y Santita. Me dio mucho gusto verlos después de tantos años. No puedo imaginar el dolor por el que están pasando. Las palabras sobran en un momento como Ester. No obstante, reciban un fuerte abrazo y mis oraciones por el eterno descanso de Jerson, y que los recuerdos del amor incondicional que le dieron les sirva de consuelo.*

“ Jerson among many things was like a brother to me. There is nothing he wouldn't do for his friends. I remember times being short 20\$ for a round of golf and without hesitation he would say “I got you”. He was able to turn any situation into a positive one and laugh it off. He wasn't just motivated to do great things, he knew he was going to. I will do my best to carry on the many lessons he taught me on how to be better to friends and especially to family.

“ I met Jerson about two years ago through some of my college friends. He immediately dazzled me with his bright, kind, and silly personality. You could feel the light enter the room when he walked in, and he had that special talent of being able to make anyone laugh. I know he has touched so many lives, including my own, and he will be truly missed by so many. My heart goes out to the Cerna family and friends in their time of grieving. -Electra Holberton

“ We got to know Jerson through the soccer team at Fort Collins high school. Many times Jerson would be laughing and telling jokes at team dinners. He had a smile and a story to tell. His passing has had an impact far beyond Fort Collins. Our prayers for comfort and peace go out to his friends and family.

“ I will forever remember Jerson for how unbelievably witty and funny he was. I don't think anyone has ever made my sides hurt as much as Jerson has. You could feel his presence in any room he was in because he'd be making people smile and having a good time. I know that myself and many others think that Jerson could walk up to anyone on Earth and start a quality conversation with them, which is a testament to how charismatic, sincere, and genuinely kind of a person Jerson was. I genuinely believe it was hard to have a bad time with Jerson and he will be missed. My thoughts and prayers go out to the Cerna family and everybody who knew Jerson for how amazing he was

“ Ooh this is so hard... words just can't describe what an amazing young man Jerson was. To the family of Jerson you need to know we loved your son and brother as if he was one of our own..... Jerson has been a part of our family for all of Maurizio's high school and college education. We have had so many wonderful family meals together and making meals together. Jerson and Maurizio would come over and take over the bar-b-queing and make up one of their "latest BEST recipes". He would always tell us some funny tale that would make everyone at the table smile and belly laugh. He just had that smile that would warm a room and make everyone feel comfortable and included. He has truly been a gift to our family and will be missed forever. I thank god that he blessed us for 8 years with his positive attitude and his contagious smile. His friendship/brotherhood to my son was indescribable. He truly was the "brother" my son never had. Thank you Jerson for blessing us with your love, laughter and brotherhood, you will be forever missed. XOXO Love mother Meesch and The Campana's

“ I met Jerson 4 years ago and we quickly became close friends. He was truly such a positive and kind person who touched my heart in the best way. He always came into the room with a smile on his face and a tale to tell, sure to light up everyone’s spirits in the room with him. The thing I loved about Jerson the most was his excitement and passion for quite literally everything. He was someone who loved life to the fullest and helped those around him to do the same. One particular memory I have with Jerson that was special to me was the first time I ever tried his cooking. We hung out for several hours at a mutual friend of ours houses and he made the best Carne Asada I have ever tried, and we just hung out and watched some football with the highest of spirits. It was just such a pure and beautiful moment, much like many of the memories I shared with Jerson. I send my condolences to his family and all others that were so blessed to have had such an amazing person in their lives.

“ Jerson was my best friend and my brother. The memories we made over the past 8 years will last a lifetime, however at this time the one that shines through them all is the day of his passing. We made plans to play golf together, when we met up he had the same bright smile on his face as he always did. He told me about how happy he was to have gone to church with his family and get breakfast with them at the silver grill that morning. He then proceeded to play the best golf I’d ever seen him play. He was an amazing man whose charisma will inspire me for the rest of my life. He touched countless hearts and his kindness will never be forgotten. My condolences are sent to the Cerna family and all those that have been blessed by his friendship.
