“ Dad I will miss you but I know that you are with Mom now and that brings me comfort. You and Mom were special people and special parents. I am so blessed that you were here to meet your great grandchildren and they got to meet you. I will plant some cherry tomatoes for you this spring and let the grandkids snatch them from the plants.... My love now and always, Terri

“ Papa I will miss you so much but god has called you home and in the first 15 years you get to see your wife and have the best christmas ever. I will always love you and will never forget the first time I made a bird house with you. Every time I came over you asked if I wanted a mint ice cream cone. I love you papa and miss you so much. Love your great grand son. Nathaniel James howard
