“ When I think of Jody I think of her as my sister as I think of Mike as a brother. They both helped me through some rough times in my life, when I had nowhere to go they took me in and gave me a place to live, more than once and that I will never forget. I love Jody, josh and Mike very much and think of them as family. I have so many good memories to just narrow it down to one. Jody was a good soul kind hearted and a very caring person and she will be missed very much. I love you Jody, and may your soul rest in peace.

“ Jody was my best friend, we met in High School and became good friends ever since. We've had our ups and downs, very interesting ups and downs. But mostly we had a special connection that always brought us back together. We shared a lot of exciting adventures when we were young that i will treasure till my end. With tons of laughs and tears threw the years, i loved her sense of humor and how she could laugh at herself. She was a blast. Jody will be missed very deeply by myself and i am so grateful that i got a chance to know her, In her best times and worst of times, i loved her. And a piece of me dies with her. its rare to find that kind of connection. You will be missed Jody. I will be forever grateful that we had those long talks on the phone lately, sharing our old stories, and our new ones. you made me laugh, you made me cry. i will always love you. R.I.P "love ya Buddy" as she would say. Stay & Enjoy STAcY & enJodY BFF xoxo

“ Dear Rosemary and boys. I was shocked and saddened to read of Jody's passing in the obituaries. I know you are heartbroken, all of you. Her little boy Joshua must feel lost. It seems like yesterday she was a little tow headed imp playing with Dani. I'll ask the Lord for peace and comfort for you all. I would like to hear from you when you feel like calling or Emailing. God Bless You. Carolyn
