“ Joe Trujillo was my uncle. I remember going to grandpa Lee n grandpa Vita's house to visit quite often. As a family we would pick plums, raspberries and choke cherries. My uncle was so funny. He would run around trying to catch us and if we got caught it was tickle torture time! We'd yell "don't stop, don't quit!" Meaning stop n quit, he'd laugh n say ooooh DONT stop ok!! Man if grandma Vita didn't save us he'd of gone on forever! Oh how I miss those days. Thinking of you uncle Jr. ❤️ And miss you. Grandpa Joe is there in heaven, he left this earth on September 2nd. Now you two can continue where you left off. Play nice!

“ Joe was a very special man. I got to know him during his time at Rehab and Nursing Center of the Rockies. He was warm and "bubbly" and could always offer a nice hug! He will be missed!

“ We are so sorry for the loss of Joe. May you find comfort in God to help you get through this hard time. My mother and grandmother were very good friends of the family. I will always remember all the things that he helped us out with at the church. He was a great person. We will definitely miss seeing Joe around town. He left too soon but he is in a better place now. God Bless Your family. Love,

“ We were very sorry to hear about Joe. He was such a wonderful, kind person. Joe, Vita and Lee were good friends of our sister, Virg Jimmy Gonzales, and we all used to gather at her house and have such a fun time together. Whenever we would see Joe we would talk about those great times! I'm sure Virg, Joe, Vita and Lee were happy to see each other again! Rest in peace, Joe. Will miss seeing and talking to you about old times. Liz Espinoza Gutierrez Shirley Espinoza Rodriguez Floyd Lopez Virgies son
