“ Sadly, this seems to be the Scott Hartman that was my Leebrook Dr. (Cincinnati suburbs) next door neighbor and Greenhills High School classmate. Scott was an Eagle Scout and was the drum major for our high school marching band. He and I spent a lot of time in the outdoors as middle schoolers, but we did not stay in touch after he went west. I hope Scott had a fulfilling life and that his sibs, Craig and Janey, are doing well. With condolences, Mike Huerkamp (Luke 23: 42-42)

“ Scott married Bob and Mary Benson on August 7 1994 and 5 years later to the day he married Candice and Steve Clem. Scott has been a part of our families story since The Landings. He is fondly remembered and lives in our photo albums with love and joy.

“ Carol and I wanted to share our condolences with all Scott's friends and family. The pictures I shared on this site were from a trip in '83 or '84. Randy Wilson lent me his GTI to go for a trip up to Cameron Pass as long as Scott and I took Randy's dog Kayah with us. We had a blast! It had snowed several feet in the three days prior to our arrival. My dog Max made the 4th creature in the car that day. This was about the time I was a roommate with Scott at the College ave. house near Plum st. . I remember subbing at Berardi's while Scott worked there.

Scott always found the good side of any situation he was in. I really enjoyed the time I spent with him.

Carol and I visited him at Horsetooth in September 2022. It was really great to spend some time with him again.

Rest in peace old friend!!!!

You will be missed!
