“ We were shocked and saddened to hear of Jona's passing. Though distance separated us, she and Zoe always remained in our lives through Harry. She was a special person who will be missed by many. Our hearts go out to the entire family and especially to Zoe.

“ Jona, I can't tell you how much I will miss our monthly chats while getting my hair cut. You were very special to me and little Zoe as well. I know your pain is over now and you are in God's care. God is so very lucky to have such a beautiful angel there.

“ *I met Jona Renzelman Cirillo the first day of Junior High. She had an amazing spirit. The Jona I hold in my heart was wild, carefree, kind and so generous of her time and gifts. I have so many cherished memories of her. I am having a difficult time grasping how this incredible light could have been snuffed out so early. She's the girl that dropped everything when my sister dyed her hair black and it turned spinach green. I lost count of the times she would call in the middle of the night because she had high centered her 280Z on the freshly plowed snow. Rock music wasn't allowed in my house, so she introduced me to a whole new world of sound. She was spontaneous and free, I was logical and organized...we balanced each other. I am grateful I had her in my life, and oh so thankful to call her friend. We had lost touch after I married, but I never questioned our friendship. There are just some you know that they would be there for you like no time had passed. She was such a friend. I love you Jona.*

“ Jona was part of my life for many years, cutting, quipping, laughing, and sharing. She made my daughters beautiful for prom...and later for weddings. She shared her wedding and then her daughter as well. I loved sitting in the chair while Jona styled me, and Zo styled her doll. When I left Colorado, Jona offered her support, with the invitation to stay with her anytime. Jona, you were wonderful, and I will miss you. Peace to your mom, grandma, daughter, brother, and everyone else whose lives you touched.

“ I've known Jona for 20 years. She was so smart, intuitive, and funny. I couldn't wait to get my hair cut so that I could hear the latest that was going on in her life. I will miss her immensely.
