“ Dear Heston family, my son Caleb Guillory, Cpl became your son Jonathan's brother over their 4 years in the Marine Corp from boot camp through deployments and their time at Camp Lejeune. Jonathan snapped the best pics I received of him and Caleb in Afghanistan! I really respected how respectable Jonathan was. He was an awesome young man! My heart just goes out to you, his parents, his brother, his fiance!!! God bless you all!

“ Although we did not know Jonathan well, my wife Carla and I met him at the Marine recruiting office, before he graduated from high school and shipped out to boot camp. Jonathan knew our son, Sam Ostic, and he had gotten Sam started doing the workouts with the Marine "poolees" at the recruiting office. Because Jonathan introduced Sam to the recruiters, he ended up joining the Marines, and was just a couple of weeks behind Jonathan in boot camp.

*Jonathan Heston was a "squared up" Marine, who served our country with honor. He was also a kind young man, the sort of person the world could use more of. May God comfort your family through this terrible time.*

“ I will miss you texting me for advice at all hours of the day and night, commiserating on military bs, and missing out on all the memories we had planned for the future. I love you Johnny.

“ My name is Jessica Gauvin and my son Nick was Jonathan's roommate at Camp Lejeune. Nick spoke so highly of Jonathan as a Marine, as a man and as a friend. I am so sorry for your loss.

“ David and Family,

*So Sorry for your tragic loss. It is an honor to have known such a fine young man. I enjoyed the many conversations we shared after history class, it was always a pleasure to visit with Johnny.*

*I was extremely proud of Johnny when he came back to Liberty and spoke to my classes, he made a great impression on those students. He was an impressive Marine.*

*You are in my thoughts and prayers.*

“ Dear Jonathan's People, a family to which we ourselves feel as if we belong,

*Our girls and your boys grew up together, but it was really as a man that I personally connected the most strongly with Jonathan. I will dearly miss our genuine, heart-to-hearts about life and death. The guy had grounded beliefs, and in a world that is at times both mad and maddening, well, we sure could use some more Johnnies. But since ours has been called into active duty into the Great Beyond, we'll just have to pick up where he left off.*

*Thinking of y'all...*

*Love,

“ My son, Theo, was in the Boy Scouts with Jonathan. Jonathan's dad was an Assistant Scoutmaster and Jonathan's brother David was also in the troop. I have not seen him in six or more years, but remember him well.

*I remember Jonathan being in a variety of leadership positions in the troop. It was inspiring to see this fine young man grow into each position, making himself a better person, but also helping the other boys to become better as well.*

*When I think of him now, I see Jonathan with his brother and dad. They were often together and had a loving and humorous bond. I could see that, even as a 13 or 14 year old, Jonathan really cared about his younger brother. The love and pride Bill had in Jonathan and David was shared between them and returned.*

*Jonathan's help and example helped my son become a better scout, brother, and person. His example as part of a loving family helped me become a better person as well.*

*I am very sorry for this tragic loss.*

*A special Marine that was focused on doing the right thing, we struggled for a bit, getting the focus back, but once he did, the rest was a piece of cake. He was a proud Eagle Scout who made my job to mentor him and be his guide an easy task. He set the example high and was already planning with me how to get the rest of the boys on the track to accomplish what he had done. Our lunch date will have to wait, Jonathan, but someday I will meet up with you and we will have more conversations on life and how to make it better on the Rock once again, until then stay on guard and help the rest of us through missing you.*
