“ Keith, Marie, Rae and Family, Please accept our deepest sympathy in the loss of Joe. Words cannot express feelings at a time like like this. Thanks for including us in the get together. As Mom said, "It was good see old friends and familiar faces, even in sad circumstances." As was expressed over and over, it was what Joe would have wanted. I'm sure he's smiling. Please never hesitate to call on us if there is anything you need. All our thoughts and prayers, Jan Thayer and Denny Whitehead

“ So many stories like many of us. I met Joe at 13 going on 30. He had me at hello! He was my puppy love & became my best friend. We camped, saw many great concerts, throwing frisbee in the park. I was his D.D. when he lost his license on the old XT500 Yamaha. He gave me such a passion & respect for motor cycles & bicycles. At 20 we both went our separate ways. I went to his wedding. I married a very understandin man Warren had 3 children. In all these years we always have remained best friends staying in touch. I thought we were going to grow old together. He had helped me set up shows, we moved Linda to a new place. Last fall hit me up on going into business together with a hot dog cart & eventually Joe's famous cheese cake. We talked Sunday night, he said he was tired and he would call me back. I thought it was him Monday when I recieved the news. I'm glad he always new my prayers were with him we always said good-bye with I love you. He was my best friend... Until we meet again. Be Right With Christ I love You Joe... Always & Forever Kimer...

“ We met Joey through my sister-in-law, Gena Zerlan, who met him at the meat counter, thought he was "adorable" and pulled him into our large circle of friends. We all adored Joey. His wonderful smile and positive energy were just so contagious. We were neighbors and Joey actually did the cooking at our wedding reception as a gift to us. We moved to Arizona a few years ago but just last week my husband, Chris, and I thought of Joey and wondered what he was up to. I now truly believe those thoughts came from Joey and he was telling us what he was up to, and that was Heaven. Our thoughts and prayers are with you. Peace, Joey.

“*Sad beyond words, so that my heart aches, for the loss, finding no way to express the emptiness. Always wanting for you to be truly happy, healthy, and at peace with yourself. I pray that now you have all of those things. Life will forever be changed. Know that your are loved and will be greatly missed, always in our hearts and memories. Until we see each other again.....*

“*I am so lucky to have had an Uncle like Joe. He treated my brother, sister, and I like his own kids; spoiling us rotten every chance he got! Some of my favorite memories are of Uncle Joe taking us fishing and camping. Oh, and I can't forget the time he let me take his red truck cruising in old town when I was only 14! I miss you so much, Uncle Joe. Tell Aunt Linda we love her.*

“ It saddens me to hear of Joe's passing, I had just seen him recently in my office and his smile lit the whole room as usual. I went to Putnam, Lincoln and Poudre High with Joe. I was very shy and Joe was a good friend to me. No matter the distance and time where his life took him he never forgot his friends. His eyes and great smile were contagious to everyone he met. He will always be in my memories, friends like him will never be forgotten. My prayers and thoughts go to all of you and to Shiela.

“ I worked with Joe at Kiefer Concrete in the 1980's. I would also visit with him when he was employed at King Soopers. He was a happy person, and it was always a pleasure to be around him. My prayers go out to his family.

“ The "King of Barbeque" and the "Ring Leader" of so many Sportsmen. It is no wonder Joe has so many life long and forever after friends.... My memories of Joe are filled with goose, morning dove, pheasant, antelope, rabbit, salmon, halibut - you name it ...Joe could catch em and cook em up really, really...good!! Joe was a great friend of man, animal, and the earth....His strong, kind arms contributed to the health and well being of soooo many things.... He loved and laughed in a way that made every one happy and proud to be a friend of him and his family... Joe, will forever be remembered as an incredible "Sportsman" and a "Wonderful Person"....for he truly was...he will be missed. Respectfully, Connie Woodard Joe comes from a great family and to honor them, we will enjoy wild turkey, fish, and pheasant on Saturday...

“ It's been a few years since I've seen Joe, yet his infectious smile, laugh, and positive attitude is an image remembered as if it were only yesterday. Joe and I go way back. I, too, attended Putnam, in fact, Joe and I were 2nd grade sweethearts for a day or two! We also attended Lincoln and Poudre and worked at Kiefer Concrete together. Even though that seems like such a long time, I'm sad to hear of Joe's passing at such a young age. Fifty-something is way too young! My thoughts and prayers are with you, his family, and Shiela, as this part of life is the most difficult of all. Regretfully, I'm unable to attend the celebration, but hope you are able to find some comfort in knowing that Joe's smile and kind disposition touched many lives.
