“ *I can't think of Josh without thinking of Tim and the rest of the family. All of them together equal so much love and so much goodness in this world. Kelly was a mom who cared, and it showed. Josh had his moments in middle school, but he had a heart of gold and he would pick himself up time and time again and keep on fighting to get better at reading, being an athlete, being a friend and a good son. There are no words that can express how much he will be missed. My sincere condolences to the Cortez family and extended family. May you be covered by God's grace in this time of trial. My prayers are with you.*
