“ Sorry to hear of the loss of your Mother. Joy was a beautiful person, and when I think of her, or listen to Conrad speak of a story about the ranch, I picture Joy with that great smile. We were all blessed to have known her. God be with your family.

“ With a heavy heart we are thinking of your family. We have wonderful memories of Joy and her big smile. When I think of her I always think of a very strong, vibrant woman, a tough outer shell but a heart of gold inside. Her love for her horses and the great outdoors will always be a portrait in our minds when we think of her. Quick to always say how proud she was of her children and grandchildren we know she will be a guardian angel to all of them now. Joy will be missed by many friends and family, she raised 3 very strong, loving children which is the best legacy a mother can give and you can believe she is beaming with pride as she chats with her fellow angels. You are all in our thoughts and prayers.
