“ Dear everyone, I couldn't be more blessed to have this man in our lives. My grandpa was the strongest, most out going and intelligent man i know of. His smile, his personality, down to his style will be stained in our memories. P.S if your reading this grandpa just know we love you and we will all be waiting to be together again. And yes I'll still cheer on the Coyboys for you! -Daniel S.

“Dad I Am going to miss you with all my heart. Thank you for giving me life and teaching me the meaning of life and to be caring and loving and appreciative of everything. I am a strong caring woman because of you and mom! Thank you for taking me under your wing and teaching me what's right and wrong in this world. I love you so much and one day I will be able to say it again with you in front of me. Thank you Dad and I love you from my heart and soul.
