

## Judith Lynn Vos

August 21, 1959 - January 27, 2022

Judi Lynn Vos was born to William F. and Donna Jean (Maier) Kendall on August 21, 1959, where she joined her older brothers: Kenny (Fort Collins, CO) and Jim (Cleveland, TX). Judi went to dwell in the house of the Lord on January 27, 2022.

Born in Fort Collins she lived most of her life in a three mile radius and was very proud to be part of a Colorado Centennial native family.

Judi was educated at the local schools: Moore, Washington, Bauder, Blevins and Rocky Mountain High. She worked for ZVFK Architects (5-83 - 4-85). Then she worked for Larimer County Treasury (1985 – 1992). In 1993 she moved to the City of Fort Collins Accounts Payable until June 1996.

After high school, Judi married Bruce Pino in August 1978. They were divorced in June 1995. Judi moved to Auburn, MA with Tom Vos in April 1996. They then moved to Durham, NC 1997-1998. While in Durham, Judi worked in Accounts Receivable at South Chem.

Tom and Judi then moved back to Fort Collins to care for her parents. Judi and Tom were wed in Loveland on August 1, 1998. Together, they enjoyed collecting antiques, riding Harley motorcycles all around the country, camping, and visiting friends and family. Returning to Fort Collins allowed Judi to renew

her passion for gardening, where she also went back to work for the City of Fort Collins in Finance, Accounts Payable and then as Cash Systems Coordinator. In 2015 she left the City and went to work for the Platte River Power Authority for two years. She then transferred to Larimer County Finance Accounts Payable to help to implement a new financial system and retired early in 2021 due to health concerns.

She is survived by her husband and his family, her brothers, her Aunts Rozella Erickson and Lucille Owens, cousins, nieces and nephews and grandnieces and grandnephews.

Judi was known for her strong work ethic and the infectious smile she always wore. People were always drawn to her because: she cared about them, wanted to know about them, and also put a smile on their face.

“ *Judi, it has been many years that we have known each other through our work at the City, not only as coworkers but as friends. I can not even begin to explain how much your friendship meant to me and how much you will be missed. All of the help, the advice, the laughs, oh the laughs, we did have a lot of those and the snow dances. Every time it snows, I always think of you, knowing you had a hand in it. Thank you for all of your help over the years, I would not be where I am now without you and thank you so very much for the friendship we shared. It is not going to be easy for anyone without you, you are pain free, cancer free, you are an Angel flying free. Love and miss you Judi.*

*“ I am so grateful to have been a friend and co-worker of Judi's for many years at the City. Some of my fondest memories come from our early morning chats before our work day started. We would talk about our families, trips we had taken, the latest projects she and Tom were working on, planning Halloween costumes etc. I will miss her smile, laughter, warmth and caring.  
Tom, my thoughts and prayers are with you and the family.*

*“ I met Judi when I worked for the City. There was never a time that she was not able to help with a problem, question or just had a plain ole' laugh. She always had a smile on her beautiful face. I wish I would have known her outside of work because she sounded like a wonderful friend to many. May she Rest In Peace free from pain and soar with the angels. My sincere sympathies to her husband, family and friends.*

“ Hi Judi, my dear friend. I was shocked when I learned you were in hospice that Monday. Only a few days later, you passed away. The last time we texted was on Thanksgiving of 2020. You told me you had cancer.. and I thought you had gotten rid of it. We said we would meet and catch up soon. I had been waiting to hear from you. I'm so sorry I didn't know you had been fighting. I thought of you many times but didn't reach out. And here it is, I couldn't say goodbye to you anymore...

We had some great time together when I was assigned to be your backup the last couple of years working at City of Fort Collins.

Those walks we took during lunchtime, conversations about trees shrubs flowers and the city's history. The house you and your best friend and husband - Tom were building. You gave me a tour to your new house and showed me the finished work you two had done together... You were glowing.

Judi, you were a wonderful friend with a warm heart, fun and charming personality. You worked hard and you made people around you laugh. You had a beautiful spirit. I loved you then, and will love you always...

“If friends were flowers, I'd pick you.” You gave me this as a gift, and I cherished your friendship dearly. You will be forever missed my friend.

“ I met Judi many years ago. We all rode bikes together. A bunch of rode to Sturgis together. Sunday morning at Archers... I remember a couple of times. All us waking her up, cause she was on the back of Bruce's bike. Not the place to nap lol. Judi was funny, kind, and welcoming. Rest In Paradise....

“ I too met Judi when I started working at the City in 2003. She was the sweetest, kindest, funniest, honest coworker and friend. She made everyone feel so welcome and was always the best listening ear. We had the best time shopping downtown during our lunch breaks and we kept in touch even after she left the City. I will miss your laughter my dear friend, you fought so hard - go rest now with the angels and we will see you again someday. I love you my friend.

“ *I first met Judi in 1972 in our church youth group. The last time I actually saw her in person was in 1978. She was a very special daughter of God, and now rests in His presence. I remember retreats spent with MYF youth groups along with fellow friends Kaki, Joanie, Pam, Dave, Tim, Carl, and others.. She shared her faith and her hopes so genuinely with us all. She was a treasure and I loved her.*

“ *Judi was a kind, loving, supportive friend. She and I first became friends in high school. She genuinely cared about people, and I loved how her laugh made others laugh. She loved Tom, and Tom loved her. He gave her strength by always being right by her side as she dealt with health issues. I will miss Judi and our true friendship....as so many of us will.*

“ Couldn't possibly come up with a single memory out of millions! She was the love of my brothers life and it was obvious throughout this long long fight that what Judi needed or wanted was number1 on his list at all times, he's my hero! So sad they couldn't just ride into the sunset together, where they belong! She was such a special aunt to my kids(esp laurel) who had a second mom in her Aunt Judi! Until we see each other again, have fun with your girls who I know were waiting for you! 🤔👉👉! Love you now, loved you then, love you forever!❤️

*Long, long ago, Judi and I met at the City Finance Dept. I helped her find her first house on Pearl Street, I think, and she and Tom gave Bill and me a pinon tree when we built our new house. I loved the fairie garden she and Tom built at the base of one of those big trees. They were an incredible pair---work and work, and then work some more. All those bricks salvaged from the old house on South College. And the new aerie they built in the treetops. I'm sure she is making friends in Heaven, she has a full head of hair, and is dancing to Heavenly music. Tom, she is gone too soon, but pray you will be comforted by all the lives she touched. May God grant you peace.*
