She was going to be a senior at Polaris High School. She also worked at Ft. Collins Good Samaritan Retirement Village. Kali loved photography, modelling, eating she was a strict vegetarian. Kali lived life to the fullest. Her smile and laughter was contagious, like no other. Her presence always brightened any room. She could always make you smile whether you wanted to or not. Kali had great inner strength, along with smarts and beauty. Kali is going to be donating her hair to "Locks of Love," so she can make someone else just as beautiful as she was.

“ It was my privilege to be Kali's teacher and advisor at University Schools. Kali was so very kind, smart, talented and beautiful - she was the best of the best! Her joy was a constant and treasured gift. It is difficult to think of this world without her, but it's a happy thought knowing that wherever she is, she is still spreading her joy and happiness.
