

## Karen Ann Cox

September 9, 1946 - December 20, 2014

Karen A Cox went to be with The Good Lord on Saturday, December 20, 2014 after a short and courageous battle with cancer. Karen was born to Velda and Paul Morehouse in Fort Collins in 1946 along with two sisters Paula and Nancy Morehouse. She remained in the Fort Collins and Wellington area her entire life. Karen was a very active member of the 4-H program as a member and leader. She was also a community fixture in the agricultural industry of Northern Colorado. After graduating from Fort Collins High School, she attended CSU where she picked up her outstanding business and accounting skills. Karen worked for numerous businesses including Centennial Livestock, The City of Fort Collins and Steel Fab before partnering up with her beloved husband in all their business adventures. Karen was married to her high school sweetheart Larry Cox in 1967 and they forged an unbreakable partnership. Larry and Karen ran a construction company, raised, bred and showed quarter horses and finally started their business, 287 Supply, which will celebrate its 30th year in business this year. From their marriage they were blessed with two children, Paul Cox (Lacey) and Korrie Spanel (Joe), one grandchild, Zoey Spanel and a future blessing to arrive in June. Karen became mom to not only her children but also became a mother bear to everyone in the community. Most didn't call her Karen, it was just mom. She was stern, but fair with everyone. Always made sure that everyone was taken care of and she was prepared for any situation. Her family would love for you to come celebrate her life at 11:00 a.m. on Saturday at the Vineyard of the

Rockies, 1201 Riverside in Fort Collins.

“ *My deepest Sympathy to Karen's family. She was such a great gal- we had so much fun in Home Ec class, 4H club and the time she and I went sledding on my brothers ranch in North Park so long ago. May God grant you peace and understanding in your time of sorrow.

*Dear Nancy & Paula & Families, we have recently moved to California. Jody told me of Karen's passing. Please know she was loved and will be missed. We shared many memories from our years growing up together as schoolmates, neighbors, & Buddies. We spent many fun hours riding horses, going to 4-H, taking the long bus ride to school, & hanging out doing our "chores." My sincerest condolences.*

*Love & Sympathy,*
