“ I'm at Karen when she trained me at Trail Dust Steakhouse. We became fast friends and eventually were roommates. She stood up for me at my wedding and I flew to Las Vegas to stand up for her at her wedding. I enjoyed visiting her frequently when she lived with her mom in North Denver. I'm sad that I never got to come visit when they moved to Walden, CO. I will always have fond memories and a place in my heart for Karen. Rest In Peace sweet friend.
