

## Kate Marie Ulam

July 13, 1986 - June 7, 2023

Kate Marie Ulam, July 13, 1986 - June 7, 2023.

Kate was unexpectedly taken from us in a tragic auto accident. She was born in Fort Collins, Colorado to Mark and Karen Morgan.

Kate grew up on the Front Range and experienced all the outdoors had to offer as a young child through her adult life. She was an avid outdoorswoman and passionate about anything that involved horses, including gymkhanas, trail riding, wilderness pack trips, and hunting and fishing expeditions.

Kate worked in the family business, Morgan Timber Products, all her life. This is where she met her husband Maverick Ulam, and was married January 4, 2013. Recently, Kate assumed the role of general manager at MTP. She was a member of the Colorado Timber Industry Association. Kate sponsored multiple tours and programs for local schools including Front Range Community College and Colorado State University, along with many other organizations.

Kate also had a passion for photography, so much so that she started a business, Wild Auroras, in which she could share God's beauty (and her talent) with others.

Kate was a member of the Virginia Dale Church. As a firm believer in Jesus Christ her Lord, along with her son David, they committed themselves to the Lord on Easter Sunday, 04/09/2023 through the holy waters of baptism.

Kate was a devoted daughter, wife, mother, and friend to so many. She will be greatly missed.

Kate is survived by her husband Maverick Ulam, her two sons David McConnell and Eli Ulam, parents Mark and Karen Morgan, and a very large extended family of relatives and friends.

“ Kinda strange how life works. Kate was my sister in law. Today I had a butt dial on my phone. It was Kate's number I dialed. My heart still weighs heavy with the loss. A simple butt dial brought back so many memories. She can never be replaced. One of the most genuine loving and caring people I have ever met. The world is a lesser place with her gone. We love you Kate.
