

Kathleen Mellisa White

January 19, 1950 - April 30, 2019

Kathy would like to let you know that her work here is done. She received a call, a sort of an offer you can't refuse, for an appointment from which she will not be returning. This assignment comes with a huge sign-on bonus, a reunion with family and friends she has not seen in a long time. Kathy may have left the Earth but memory and spirit lives on. We will continue to celebrate her by taking time to enjoy the simpler things in life. Kathy was avid fisherman, hunter and skier. Back in the day she would call her campground 'home'. Kathy wouldn't want tears and sorrow she would want her friends and family to go out and enjoy what God has given them and live everyday to the fullest.

Kathy was preceded in death by her father, William White; her mother, Delphine White; and her granddaughter, Kali Zimmerman.

Kathy is survived by her brothers, Monty and Mike White; her sister, Kayrl Keil; her son, Mel White and daughter, Yvonne Esley; and several grandchildren and great grandchildren.
