

Kathryn Gayle Pennington

July 10, 1941 - September 20, 2010

Kathryn Gayle Pennington, our beloved mother, grandmother, sister and friend departed this life for Eternal life on Monday, September 20th, 2010. She was such a shining star to those who knew her, and lived her life with laughter, love and joy. She is survived by her grown children, LaRae Geisick of Ft. Collins, Dennis Pennington of Eaton, Duane Pennington of Ft. Collins, several grandchildren, great grandchildren, family and friends. Gayle came to Colorado in the mid sixties with her husband Claude Pennington from Salt Lake City, Utah. They settled into Ft. Collins and raised their family here, making friends along the way. Together they had many business adventures, finally owning and operating Pennington Construction until the time of Claude's passing. She loved to travel, and in her lifetime had wonderful memories of the trips and cruises she had taken not only with Claude and family, but with friends as well. The wanderlust in her also drove her to read anything she could get her hands on, and add to her extensive movie collection, both classics and new. Dogs and birds were also favorite companions of hers, and over the years she had many critters. We'd have to say that her greatest passion in life however was her precious "babies". She loved children so very much, and was a devoted mother and grandmother, even "adopting" a few strays along the way. To this day friends of her children still call her Mom. A Funeral Service will be held Tuesday at 5:00 PM, at Bohlander Funeral Chapel and a Celebration of Life will follow at the Cloverleaf Mobile Home Community Clubhouse at 4412 E. Mulberry St. Ft.

Collins.

“ Although I never met Kathryn, I had the good fortune to have had Claude help me with my plumbing years ago-he was like an angel, helping this damsel in distress. Was shocked when I saw he passed a few years thereafter, wondering how I was going to handle my problem, but I managed to take care of things since he had done a great job of teaching me what to do. No doubt, you are all blessed to have had Kathryn and Claude in your family-salt of the earth people.

“ For as long as I can remember Gayle has been a part of my life. She always treated me like family and welcomed us into the home she shared with Claude. I think in Gayle's eyes, nobody was a stranger, but only someone she hadn't met yet. To the Pennington family, you have my sincere condolences. And you will continue to be in my thoughts and prayers. I love you all :

“ I am going to miss her so much. I feel blessed to have always had two moms, My natural mom and Gayle. She taught me how to cook and Crochet and many other things. I will always remember the songs we used to listen to, the funny things she always said and the tears we cried together. I thank God for bringing her into my life.

“ My heart is breaking for our loss, but rejoicing that Grandma is with our Grandpa and Jesus. With the way she lived her life, I know that Heaven welcomed her with ready and loving arms. Her life was such a blessing and her hands and heart performed true miracles. I hope that her strength, courage, endurance, and capacity to love was passed on to everyone that met her. What a beautiful angel we have in Kathryn Gayle Pennington!

“ The chorus in heaven has a wonderful new voice. All of us who met Gayle can never forget her warmth or her friendly smile and hospitality that she offered all who came in contact with her. Gayle is an amazing soul. And we feel privileged to have known her. She was one of the most endearing people that we've ever met. We'll miss her greatly. Betty, James, Michael.
