“ I just found this obituary. Doggone it ! I have been trying to find her for years ! She was my best friend in high school for years and remained so for many more. I lost track of her when we moved to south-central Utah.
Her laughter was always like chimes in the wind. It made me happy just to hear it. We shared many a laughter together in our rebellious years.
She had the most beautiful, butterfly like hands that floated through the air.
She was a kind, tortured soul.
I'm sorry to have lost track of her.
God bless all of you.
Kathryn, thanks for being my buddy ! Love you, always.
