“ We just learned today that it was Keiter! We are all devastated. Our son was one of his 1st friends he met when he came to Fort Collins. We took him on the boat to Horsetooth this summer and he truly talked about driving across the country and somehow, he STOPPED right here because he felt like this was the place to be. His smile, his laughter, his languages! He truly was so sweet! Mama Kim and Papa Al will remember him! We will make sure to find justice for Keiter! Please reach out for any needs here in FC!

This is Denis Morales, Keiter Baez's mother, I am not sure if you were the person who wrote on the Bohlander page, and I wanted to thank you for your words for my son and the love you showed him. My English is limited but I would like to talk to you, I would appreciate if you could share your phone number with me,

Best regards

“ Keiter was a great young man. We became friends through me going to Consuelo's restaurant where he worked. I just loved his personality. He will be truly missed by everyone. I was so shocked to learn that he had passed away. His life taken away too soon. I for one will miss his smile & dimples. My pup will miss him too.
