

## Keith Andrew Clark

June 11, 1960 - July 30, 2023

Keith Andrew Clark was born in Seattle, Washington, on June 11, 1960, and died in Fort Collins, Colorado, on July 30, 2023. While Keith's family members, friends, and his Fort Collins family at his place of employment are deeply affected by his passing, we all know Keith is free and at peace.

Keith had been an avid, and extremely skillful fisherman. He had been an excellent motorcyclist as well. Keith was also very talented in his career as a Sous-Chef for a high-end restaurant in Western, Washington.

A small, private ceremony will be held at a place that would have brought Keith peace and joy. In lieu of flowers, donations can be made to the National Wildlife Federation, or the Fort Collins Rescue Mission.

Keith is forever in our hearts.
