“ *Just so shocked to hear this sad news. Keith was my cousin, but had more of a big brother appeal to me. Many good memories of playing wiffle ball with our cousins in their back yard to making blueberry pancakes and sitting in the breezeway...*

“ Keith was a back yard neighbor of ours when he lived in Hill Pond on Shire Ct. We enjoyed talking with him and sharing stories. His laugh was very recognizable and brought smiles to everyone. Through the years we reconnected with him at yoga classes and even on the Max bus. It was a surprise to see his obituary in the paper. We will always have fond memories of him. Tom and Beth

“ Many memories, all good. Ping pong basketball at his house playing in the barn on Renniger rd. Keith gave me my nickname in Jr high which is still used by the people that have known me the longest. Working together at the Draught House and the good times at the U. I truly loved him and I am sad but grateful to have known him. You will always be a part of my life.

“ Keith had that unique personality that made people laugh. I helped recruit him from CF to NW Transport back in the day. We had a few years of working together and a couple of football trips. I am proud to say that we were friends. He carried himself with dignity and class. He made the world a better place. He will be missed. Rest In Peace my good friend !
