“ Whenever I came to visit Shawna, Larry was always so kind to me. I remember him telling jokes a lot or just being silly, which made me laugh. One memory that sticks out to me was when Larry and Glenda took me to see the movie Rio while Shawna was working. I remember how much I enjoyed being able to still get out and do something fun. I felt like Larry did his best to make me feel welcome while I visited, because he always made me feel that way. I will forever appreciate his thoughtful heart and good humor, and never forget the kindness he showed toward me.
