“ Louie and Della, Annette and Jeanette, I was saddened to hear about Larry's passing. I knew Larry since he was 2 and I lived next door to Mrs Valdez. He was always such a nice person in his growing years. Later years I would see him at Laurel where he attended his daughters programs. The Ortivez family were such wonderful neighbors and it was a pleasure to have been able to know and live by them. My condolences go out to all the family. May God give you comfort in knowing that he was a wonderful son and that one day you will see him again. God bless you all.

“ Larry was a wonderful man in our community. Our hearts are sad to hear of his passing. Very beautiful article by his father remembering his son in the Coloradoan. We used to bring him chickens at the nursery, see him at car shows and around town. Larry had a great sense of humor and will be missed in our community. Our sincere condolences to you and his family.
