“ *At Christmas in 1950s Viola, Larry always thanked Grandpa Earl profusely for the ties and socks he got, slowly unwrapping and carefully displaying them under the Less-than-impressed watchful EYE of Theo. It was magical. Lon and I almost choked with glee. Larry had a great dry sense of humor. I remember when Larry shot his first bird near Viola (MN) with a .22 on a camping trip. He loved the woods as did I.*

After serving in the US Army in Germany, Larry was the first relative I had seen in 2 ½ years, meeting me at the Washington DC airport – I still remember the smile greeting me on that concourse. We had a fantastic weeklong visit. We were 20. I am looking forward to a much greater reunion, but still very hard to see him go.

“ *My favorite picture of Larry and me is of us taking a nap on our old 1960s sofa. He has his arm round me so I don't fall off the edge. He used to watch cartoons with me when I was little too. I know he enjoyed them just as much as I did!*

“ *I'll never forget camping and boating with Larry and Terah as a kid and I must've been deprived as a child because I vividly recall Larry making cheddar brats and how amazing they were! And his sarcasm, of course! You will be missed, Larry. Thoughts and prayers are with you all!*

Erica Ellis - August 18, 2016 at 06:17 PM

We shall eat cheese brauts again, my friend.

“ *Had been many years since I had seen you. Will never forget some of the conversations we had. You gave me a lot of advice in my early years, cant remember any of it but nonetheless doesn't mean it wasn't good advice.*
