“ *My prayers and thoughts are with Laurie's family. She loved talking about her family. I had the honor and pleasure of enjoying her laughter, her energy, her love of her job, and her radiant smile for over 30 years at the National Park Service and in retirement.*

*Laurie was AOC's picture historian. Always taking pictures at all office events. You never knew when she might come out of nowhere to take a picture, or get someone to take a picture of her with others. Always with a smile.*

*Laurie's smile and laughter was contagious with fellow employees and supervisors. She enjoyed people and life, and anyone meeting her would never forget her. I will miss our emails and phone conversations. She was just one of those "Special People" that God put on earth to give a little sparkle in other peoples lives. Thank you Laurie.*
