“ To family and friends of Leona Anderson, I read of your loss and my heart went out to your family. As her parents, brothers, sisters, grand parents and her care giver I can only imagine the loss you feel. I have shared with others two wonderful scriptures that afford great comfort at times like these. 2 Cor. 1:3, 4 which speaks of "the God of all comfort, who comforts us in all our tribulation." and Isaiah 51:12 "I - I myself am the One that is comforting you people." I know she will be remembered as a special daughter, sister, grand daughter and friend to all. Treasure your special memories and know you are in the thoughts of many.
