

Libra Ashby

August 8, 2008

Libra Ann Ashby of Fort Collins passed away early morning. She is survived by her father, Andrew Shell Ashby; and mother, Amber Renee Ashby; grandparents, LaVon Ashby, Kathy Pyatt, J.D. Pyatt, Mike Ashby and Mary Ashby; aunts and uncles, Alicia Ashby, Jean Ashby, Ruby Ashby, Joe Kelly, Stephanie Kelly, Steve Kelly, and Terry Kelly, and many cousins and second cousins. Libra was a beautiful lively headstrong baby, so smart, and very alert of her surroundings. She hated diaper changes because the baby wipes were so cold on her little bottom. Her favorite thing was taking rides in the "Big Bronco," and she loved her music. Our favorite pastime as a family was for dad to play guitar and sing, and mommy make up cute little songs to put her to sleep. She will most definitely be missed and forever be in our hearts. Those who desire may view Libra at 10 a.m. on Saturday, at Immanuel Community Church, 1725 W. Mulberry. A funeral service will follow at 11 a.m. Friends may send condolences to the family at bohlenderfuneralchapel.com.
