“ I love you so much. I miss you. I'm holding on to all the memories I have of you. I remember when you and papa got married. And when you moved to Colorado. I remember every summer and the precious time we spent together on my vacations. I remember South Dakota and mount Rushmore, crazy horse and the Buffalo that walked up to the car. I can still remember when you first met dj. And I'm so happy you got to meet wesley and Brent as well. It was only a few months ago I saw you last. But a few months was way too long. I'm sorry I couldn't be there to say goodbye. I love you so very much. Always and forever.
