“ *Lloyd was a psychopath. He abused me as a child. He once grabbed me by the throat and slammed me up against a car choking me. I have suffered decades of emotional trauma from the abuse I suffered under his “therapy”. Burn in hell you piece of shit.*

“ It is with great sadness that we heard of Lloyd's passing. Lloyd was so beneficial to a great deal of children here in Larimer County. Lloyd had a way with connecting with the children that were struggling with so many issues in their lives. He was an advocate for them and never gave up on them even in their ugliest moments. He will be genuinely missed.

“ Dear family, So sorry to hear about Lloyd's passing. I remember what a good friend he was in high school and I've thought a lot about him today. He was our "best man" in our wedding in 1966. I wish we had kept in contact. Bob

“ Our thoughts and prayers go out to the Boggs family. I knew Lloyd as a student at Colorado State University and appreciated his sense of humor and zest to live life to the fullest. Lloyd, as the other brothers, let me into their family to be a part of their adventures, thrills, trials and tribulations.

“ Lara and Ryan and Boggs family, I knew and loved your Mom and Dad very much growing up. Your Dad was always around when we came over to hang with Gwen. Your Mom was a role model to so many of us. They leave a lasting legacy. My prayers are with you all.

“ I met Lloyd in 1992. He brought some amazing ideas in to our home and took one child, in particular, from darkness to a place where she could see light. Some memories for me: from a child who he was humming to while he held her " you are a cow doctor" One of his quotes we still use, "This is how it is, see" One of the most amazing things about Lloyd was his ability to make a person feel valued and loved, no matter how unlovable they seemed to be. Thank you to his family, for sharing him with us. Thank you to God for blessing us with his presence.

“ Lara and Ryan, I am so sorry to learn of your Dad's passing. Life can be cruel, sometimes, can't it? Losing both your Mom and Dad within the space of 6 months is something that no one should have to experience. I hope that you'll both take comfort in the immense love that your parents had for you, and in the thoughts and prayers of those who also love you and think of you every day.

“ I was so sad to hear about Lloyd. We were such good friends during and after high school. I will always remember the great times we had in our high school quartet, "The Uncalled Four". He was the bass and always added a sparkle and humor to performances and rehearsals. I loved his sense of humor and that he was so giving and helpful to others. The last time I saw Lloyd was when he was associated with Forrest Cline in Evergreen. We would go for lunch and go on and on and on. My heart goes out to you Forrest, the other brothers, and all of his family and friends. He will truly be missed.

“ My heart goes out to all of you -- Lloyd was so special and will be missed by so many of us. Lots of wonderful memories -- and lots of smiles! "The Boggs Boys" -- things just aren't the same. Lloyd had such a full, rich and long life -- never enough time though. Ryan and Laura please know that you have my special love and prayers -- you meant so much to your Dad. With my love.

“ I went to Jr. High and High School with Lloyd. I always thought he was very special and admired him. I left Fort Collins when I was 19 so had no more contact with him. I just want the family to know what a nice young man he was. I am so sorry.

“ Lloyd was a treasured friend. We first met as members of the same baby-sitting co-op in the late 1970's, and later enjoyed studying with Foster Cline, MD and getting out to cross-country ski together. We will miss him. Our best wishes to Ryan and Lara. Love, Tom and Sheri
