

Lorine Nettie Lindholm

April 22, 1925 - January 3, 2022

Lorine N. Lindholm, 96, of Fort Collins, CO passed away January 3, 2022

She was born April 22, 1925 in Norwich, Kansas. She grew up on a farm there with her two brothers and graduated from Norwich Rural High School in 1943. She went on to graduate from Kansas State University College of Agriculture and Applied Science with a degree in Dietetics on May 29th, 1948.

She met Howard Lindholm through 4-H activities. They both attended KSU where their relationship blossomed. They were married on June 6, 1948, and Howard graduated from KSU in 1949.

They had their first three children (Charlotte in '50, Wayne in '51 and Dale in '53) while living in Cheney, KS.

Shortly after Dale was born, they moved to Ft. Collins, CO, where Howard began teaching Agriculture as a professor at Colorado State University.

The first house they bought in Ft. Collins was on Taft Hill Rd. Lorine had just had a tree planted in the front yard for her birthday, when someone made an offer on their house they couldn't refuse! So, in 1955 they sold that house and moved to a farm Northwest of Fort Collins, which is still the family farm today.

Their youngest child, Marcia, was born in December 1957. Not long after that, Howard came home and asked Lorine "How would you like to go to West Pakistan?", to which Lorine responded "Where's that?"

So, long story short, in 1959, Lorine packed up the family (with all 4 kids, ages 8 down to 1 ½) to move to Pakistan, where her husband, Howard, worked with

the U.S. AID project through CSU to establish an Agricultural College at Peshawar University. While in Pakistan for four years, the oldest three children got to experience two years in a boarding school.

After returning to Fort Collins, Lorine helped her husband, Howard with pigs and chickens on the farm and raising their children! Both Lorine and Howard were active 4-H leaders for 15 years with the Laporte Cowpunchers 4-H club. Lorine helped with the foods and sewing projects.

In 1984, Lorine and Howard, went to Zaire as short-term missionaries. Lorine used her training in dietetics to show how to prepare nutritious food with the foods available there. They had to return to the U.S. because of a hip infection for Howard. Lorine was a gracious and caring wife, helping Howard recover from hip infection and surgery.

In the late 1980's through the 1990's, Lorine worked for 10 years in food service at CSU.

Lorine enjoyed being active in her church and Sunday School class and was a great prayer warrior and supporter with Women's Missionary Fellowship. Howard and Lorine were blessed with 60 years together and celebrated their 60th anniversary in June of 2008.

After 60 years of marriage Lorine's husband, Howard, went to be with our Lord and Savior on December 7, 2008. Since that time, she has enjoyed spending time with children, grandchildren and great grandchildren. She was always interested in what each of them were up to and lifted them all up in prayers. After a fall and some loss of strength Lorine moved into assisted living at Good Samaritan, Fort Collins in February of 2020. She enjoyed getting to know many people there, playing bingo and going to devotions, chapel and other activities. She was a bright light in the facility, friendly and sweet, a bit adventurous and well liked. She will be missed there and by family and friends. After a mini stroke at the beginning of December, Lorine struggled to talk and communicate, which was frustrating. She was ready to let God graduate her to heaven and be healed.

Lorine has joined her husband and two brothers in heaven, who preceded her

in death. She is survived by a daughter Charlotte Price of Oregon; son, Wayne and wife, Linda Lindholm, of California; son, Dale and wife, Connie Lindholm, of Fort Collins; and daughter Marcia and husband, Russ Rhoads, also of Fort Collins; eight grandchildren and sixteen great grandchildren.

“ To the Lorine Lindholm family,

Lorine is a very special lady/sibling. She is so unselfish. Almost selfless to a fault. But, that is not the case, because none of her children are lazy. Mindful of her children, her family, her husband, her community (both her neighborhood and her church).

And her mother was a real gem. Absolutely wonderful neighbors.

Our hope in the Risen Christ is that her home now is as beautiful as the family they built on earth.
