“ I had no idea until I searched for Lyle on-line that he had passed away. I am so sorry, Bret and Mitchell. I am sure you do not remember me, but I was around a lot when you were little and growing up in the modular home on the hill above the lumber yard. I loved your mother very much and wanted to see how your father has been doing since Patty's untimely death. I do hope he is at peace and that you are doing well. God be with all of you. You had very special parents.

“ Bowers family: I know Lyle is at a better place now. I will miss our conversations we had over the years..a dear friend and he was very proud of his family and grand kids. I know Lyle enjoyed some of the visits I took him too at the Sunday gatherings. Our high school buddies. Lyle was usually the first guy I would call about fixing my cars. He was always there for you...God Bless Him and his family...Bill

“ *Having known Patty all her life, Lyle entered the picture when they married. My love to their boys and families. His last years were so hard for him. Some things just don't seem fair. Know that we are all thinking about you in your loss. Love to all of you!*
