“ To Greg, Jay and Steve,

Lynn and I are deeply sorry to hear of your mother's passing. She had a very long and full life. She was always kind to all that knew her. I really wanted to get down and see you this fall but we just could not get away. Greg, I hope you will call again when you are able.

“ May & Alex's" boys: Sorry to hear of your mother's passing. She and our mother were such great friends. She called me about a yea ago to complain about what to do about the ants invading the walks in the front yard. I told her to be careful because they were man-eaters. She said: "No worry then because she was woman." JMB
