“ Ellen was one of the few people I got to know here at Avago outside of my work group. She was so good at her work, that I had to get to know her. We spoke regularly. I was missing her in the past weeks, wondering where she was. I was so sorry to see that she is gone. She did so much to make sure we had a nice place to work here. She is missed.

“ I was deeply saddened to hear of Ellen's passing. I grew up on the same street as the Taillie family and remember well her buoyant personality, and have fond memories of her as a vibrant part of the "Dakin Street Gang". My condolences go out to her family and to Jim and Paul - the Taillies were a wonderful Mumford family.
