

Marian (Mickey) Poole

January 15, 1934 - April 18, 2016

Marian (Mickey) Poole, 82, of Fort Collins, CO was promoted to glory on Tuesday, April 18, 2016 at Medical Center of the Rockies. She passed peacefully with her daughters by her side.

Mickey was born on January 15, 1934 in Kampsville, Illinois to Thomas G Sevier and Hilda B Preston. She moved to Fort Collins with her family in 1946. She attended Lincoln Junior High and Fort Collins High School.

She is succeeded by her husband of 65 years, Ben, a sister, brother, two daughters and a son, 10 grandchildren, 18 great grandchildren and one great grandchild.

Mom and Dad met and fell in love in Fort Collins in 1948. It was a love story from beginning until end. One never went anywhere without the other. They truly enjoyed each other's company.

Mickey loved the Lord and spoke in prayer to Him about her needs and concerns and was always quick to pray for others which she did on a daily basis. She had a genuine relationship with the Lord. All of the grandchildren loved going to church with her as she always smelled so good and had the breath mints which she shared freely with all of them and she always looked the best she could and carried a pretty little hanky. She and dad were faithful

to attend church every Sunday and Wednesday. Dad taught Bible study on Sunday morning classes. They ministered for many years in Fort Collins at many of the nursing homes and also in Idaho when they lived there.

Mom had a unique talent of making everything in the world around her beautiful in everything from home decorating, gardening, painting, hand quilting and various other crafts. She took great care with her personal appearance and loved cooking and entertaining her family. She loved flowers and worked at maintaining a 13 acre parcel of land in Idaho along with her husband. It looked like a park. She not only made things beautiful around her but always saw the beauty in everything.

Mickey had a fun loving and bubbly spirit. She was quick witted, smart, funny and kind. She knew the Bible frontwards and backwards.

She was the embodiment of Proverbs 31.

We know you are free, well and singing in heaven now and someday we will all meet again.

Private Family Service will be held.

“ I have fond memories of Mickey and my mom (Sylvia Kaltenberger) laughing, joking, and having a great time together. Now they can continue their friendship, having fun and laughing together.

My thoughts and prayers are with all of you.

“ I am so very sorry. I thought of Ben and Mickey often over the years. I remember Mickey working hard in whatever she decided to do---house, garden, a special meal,etc. She looked for someone to reach out to as God directed. I am glad I got to know her.

“ My mother was my very best friend. We talked on the phone almost every single day. She was a beautiful lady and I always knew my mom loved me. She has given me so much over the years in showing me how to live as a Godly woman and how to be a good wife and mother. She was fun to be around. She loved to shop and loved McDonald's burgers and Kentucky Fried Chicken. She was an excellent cook and I show the signs of that. Our home was always clean with clean clothes and always meals on the table that she prepared. She took great pride in her personal appearance and even worried about her hair when she was so sick. She always gave advice with wisdom which I knew came from above. She loved my dad so much and was faithful to him until the end of her days. She cared for him even being so sick and cut his hair and tended to his wounds. She journaled and I have decided to begin my journaling now. I started a few days ago. I always would call my mom when I needed prayer about something and she was quick to pray for any of my concerns. She loved to pray and talked to God daily. I remember asking her one time who I could call on to pray with me and she said, "Well Debbie, that is when you must step in and be the one others call for prayer." Now I have the huge task of trying to fill your shoes and even though my feet are much bigger than yours were, it will be a task that I must work hard at to try to fill. I thank God for giving me such a beautiful and loving mother. I will be seeing you again one day mama and we will look at the beautiful gardens and dance on the streets of gold together! Loving you always- your oldest daughter- Debbie
