“ Jeanne was from Mt. Pleasant, Tn. and her family lived up the street from me growing up.

Jeanne was 5 years younger than I, but I remember her being such a pretty girl and was very, very intelligent.

Jeanne and Donna's Father was postmaster during the Fifties.

Their family home to this day is still known to the elders of Mt.

Pleasant, as the Ligon

Home. It was very pretty and in one of nicest areas in Mt. Pleasant.

When Dot got

ready to sell her home, I was in the Real Estate Business and she called me to list it.

I was really thrilled that Ms. Ligon called me and I was honored that she did.

Also in the obit picture., she had on a formal dress that Georgia Craig designed and

made. Geogia was known county wide for her talents and if you had a dress made

by her-you were very pleased and happy.. At the Mt. Pleasant

Museum, they have a Georgia Craig Day and people(if

they still have them) where citizens bring their old dresses for a display.I still take

my wedding dress from 1955 to the display.

I am writing these memories for Grandchildren and others that might enjoy knowing

some History. Mt. Pleasant was a wonderful place to grow up and

my Children still

treasure those memories

Donna, even though you were much younger, I can still Picture your pretty face and

what a sweet natured face you had. I am so sorry for your loss and other Family

memories.

*Thank you for sharing. I remember visiting Momma Dot in that house with the big front porch and catching fireflies. I also remember the corner drug store with the ice cream counter. Mt Pleasant was special and I wish there were more places like it. Jen (Jeannie's daughter)*
