“My heart goes out to the family. We lived across the street from Marilyn and Rich and although it was brief they came to be great people and friends in our life. We had them over for dinner, went out to dinner and went over to there house as well. Rich even went fishing with our boy. Even after we moved we stayed in touch and would visit anytime we were in Fort Collins. We will miss Marilyn and Rich but are happy they are once again reunited. ❤️ They have a special place in our hearts.

I’ve known Marilyn and Dick since they were little kids. They always had a smile on their faces. They were fun. I will never forget Marilyn’s laugh. I will always love her. Marian Swerer

Marilyn was FUN! She was always kind to us and never judged us when we were being the Juvenile Delinquents we were. She treated me like a second Son even though she seemed more like a big Sister...She inspired me more than anyone will ever know. She taught me how to Ski too
