“ It took so long to write this as is still so hard to say goodbye to my friend of 60 years. She was always there when I needed her. God bless you, I love you Marilyn.

“ Marilyn had a special warmness about her and she was always upbeat. My father Al nicknamed her "Boomer" because of her good golf drives. She will be missed

“ *Therapy for Marilyn and I meant flowers; however, hers were ALWAYS prettier than mine. I'm going to miss this dear lady, especially her energy, smile, inner and outer beauty, and the fact that she always pronounced my name correctly - very few do. To her family, I wish healing through beautiful memories of your dear Marilyn.*

“ *We were only friends for a year but grew so fond of each other. We golfed and went to movies almost ever Sunday after you came home from church. We were excited about Spring and planting flowers. You told me to save my coffee grounds and I am still saving them. Your garden was beautiful just like you. You will be missed and remembered for a long time. You left this world so fast I didn't get to say good bye I guess God was in a hurry to get you home.. Good bye honey we will betogether soon.*

“ *Kim - I was so sorry to hear of your Mother's death. When I visited with you a few short weeks ago I know you were worried about her and looking for good care. It is never easy to lose a parent. I am thinking about you and your family and pray that God will comfort you in this time of sorrow. Sherrie Meyer Lisa's Mom*
