

Mark Jerome McKeon

August 4, 1954 - May 8, 2026

Mark McKeon of Fort Collins passed away on May 8. Mark held degrees in Mechanical Engineering and an MBA, both earned at Colorado State University.

Mark's family and friends will remember him for his sense of humour, enthusiasm for British cars and motorcycles, and his love of dogs and gardening. Mark was also known for his prodigious memory of random facts, which made him a formidable opponent in Trivial Pursuit. We will always remember the wonderful trips we took, both domestic and international.

From his junior high school years and throughout his life Mark formed deep and lasting friendships. Those friends, his wife and children will miss him terribly but will never forget the joy he brought into their lives.

Mark is survived by his wife Cheryl and children Paul and Theresa, son-in-law John, sister Regina, and Patricia McKeon. We hold Mark in our hearts and in our memories and are grateful for the time we had with him,

A Celebration of Life will be held at a later date.

“ I am stunned & deeply saddened by this news of Mark's passing. I knew him from high school days, and I saw him at our last reunion. He was always a gentleman, gracious, and kind. He departed this earth too soon. My deepest sympathy to his family. May all be comforted by fond memories.

“ I am heartbroken. Mark and I were at CSU together and became great friends. We kept in touch after we both went off to work, putting those valuable CSU degrees to use. We kept in touch, not as often as I would have liked, and each time we got together it was like no time had passed at all since our college days. I will really miss him. My deepest sympathy to his family and friends that will miss him as much as I do.

“ This is shocking news. My condolences to his family. I met Mark in High School. He was smart, funny, curious, and good natured. He was pals with my younger brother and so I got to see quite a bit of him. He was one of those people that you were always glad to see. I'm sorry and sad that I won't see him again. I hope God took him home gently. I'll always remember his boyish smile.
