“ *Mike, Jim and Dan,
I am so sorry to learn about the passing of your Mom. Your Mom was a pillar in my childhood and I will always have fond memories of her. Your parents were wonderful friends always. Your Mom and my Mom stayed connected for a life time. Ina will be truly saddened when Connie tells her today.
Sending you and your families love and prayers.

“ Dear Mike, Beth, Jim, Dan, Donna, eight grandchildren, eight great children, John and Ellie, and Pauline - The JEK kids and I are all very sad to hear of Grandma Kramer's passing. She was a landmark of Rist Canyon and true strong matriarch of the Kramer family. She was always of great help to me that first week we brought each baby home. She calmed my angst as a new mother as far as the baby crying down to a simple fact "ah, he's just fussing. He'll be just fine". The family Christmas Eve celebrations she provided over all these years were magical. The family will forever treasure the lovely quilt she made for great grand baby Lucas Nash. Perhaps we will be able to add more grand baby names on it over the future in loving memory of her. Mostly I was in awe of the lovely home she always kept and strive to this day to mimic her organized pantry shelves. Love and peace to you all. Here's hoping we all share the never-ending endurance she quietly demonstrated all these years. Rosemary Herron Kramer, Jonathan Wilbur, Thomas Edward and Kristen Marie...
