“ Aunt Shirley, I am so glad we had the chance to visit you and Uncle Windy a couple of weeks ago. Hailey was so glad to meet you both. We still laugh about our conversation and how funny Uncle Windy was even when we knew he didn't feel well. Even though his body had gone through all these changes, I was happy to see that his same robust self was still shining through. And you were as strong as ever. He was blessed to have you as a wife for so many years to take care of him in so many ways. You are in our thoughts and prayers during this difficult time.
