

Marvin Loyd Hodges

February 9, 1943 - April 25, 2025

Marvin Loyd Hodges, age 82, passed away at home with his wife Marilyn by his side on April 25, 2025. Born February 9, 1943 to Hazel J and Charles Loyd Hodges in Colorado Springs. In his early years the family moved to Wellington, Colorado and raised 5 siblings. Blessed with an outstanding work ethic, Marvin rose above the poverty he was born into. Everything he ever had, he earned honestly. He was generous with his time and talent and Marvin helped many families in Wellington and Fort Collins repair or remodel their homes at very little cost to them. As well as helping those in need, he served on the Wellington Town Board in the 80's.

He spent his life working as a carpenter foreman. After retiring from construction he moved to the country and raised hay and cattle. He spent most of his time handing down knowledge, as well as working on his tractors and equipment every chance he had. He lived out his life cherishing the agricultural way of life. He was preceded by his mother, father, brothers, Darrell and Dwayne, and three sisters, Delores Marie, Beverly, and Charlene, and a nephew, Randy. He is survived by his wife of 62 years, sons, Kevin and Darren, a sister, Sharon Michael, and five grandchildren, Taylor, Baylee, Colton, Presley and Grason.

A Celebration of Marvin's life will be held on May 14, 2025. Please contact the family with the time and place of the celebration.

“ Went to work for Marvin around 1967 or 1968. I was new to the Carpenter's Union and went to work on a 5 story building with him. After Darrell passed away Marvin and I became close. Marvin wasn't much for sharing feelings but he started sharing family matters with me, that's when I knew we were two friends. One day he came to work and said Darren wanted to be a clown, so I said don't they have a clown school. Marvin said, know he just wants to be a clown. I finally understood that Darren was messing up. We talked a lot about Marilyn and the boys. He was really proud of his family. Marvin worried so much when Kevin and Darrell started riding bulls. When boys started there own company he would beam when talking about them. When Marilyn was sick he really started worrying. But thank God everything worked out great with Marilyn. Worked with Marvins Nephews and really enjoyed that. So I guess my best Memories are working with him, Marvin welcoming me into his home since i lived out of town. All the knowledge he shared with me. When I was really depressed he opened the door to me. Marilyn and Marvin really helped me out. My memories of him are everything about him. I loved him. Terry

“ Miss Marvin so much already. Learned so much from him. I feel we became close because we shared his family stories. I guess my favorite Memory is when we talked about Marilyn training program. HA.

“*Marvin and I were friends for a very long time. I was at his wedding to Marilyn in Lander Wyoming. He and I worked construction together all my with many of his other friends from the Wellington days. We hunted together, we worked together but we kind of lost track of each other as our careers went in different directions. I will never forget the good times we had in the field hunting and working together in Lander and Cheyenne. My condolences to Marilyn and family.*
