“ *Mary was so kind and helpful to me when I first started in Housing in 1987. I could call her 10 times a day with questions, and her response was patient and helpful. I enjoyed her humor too, and her comfortable presence.*

“ Dear Lynda, Jean and Jay and families, please know that we have many fond memories of both of your parents and share your sorrow at this time. We had kept in touch, but not close enough, with your mother. We did see her not long ago, along with Linda, at Olive Garden. She was proud to introduce her minister to us. We will continue to share the stories of our friendship, some of which you probably have not heard! Do you know about the fly in your dad's plane?:- We will keep you all in our prayers in these difficult days, but you have many happy memories to share with each other. Always remember that! We will be in WY on Wed. so will be unable to attend the service.

“ Mary was always quick with a hug yet not shy about dispensing good advice in all matters when I was a teen and Jay and I were goofing around together. I know my mom enjoyed Mary's company at the athletic events when we were teammates. I also remember that Mary was always a good buffer when it came to the "look" from husband Jim. I still have many fond memories of Mary that I'll keep always. My condolences to Jean, Linda and Jay.
